Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Sunday 15 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Rain dying out this morning. Dry, brightening up this afternoon.

Today:
Cloud, with some patchy rain in the south, clearing from the north this morning. This afternoon will be dry with some sunny spells breaking through. Light northwesterly wind. Maximum temperature 19 deg C (66 deg F).

Tonight:
This evening will be dry with some late brightness. The rest of the night will be largely dry with clear periods, perhaps the odd shower along the north coast. Minimum temperature 11 deg C (52 deg F).

Monday:
Dry start with some early brightness. Then clouding over with a little light and patchy rain extending southeast in the afternoon and evening. Maximum temperature 18 deg C (64 deg F).

Outlook for Tuesday to Thursday:
A mainly dry few days although rather cloudy at times, some warm sunshine developing in places.
